### WAR LEVIES HEAVY TOLL ON SONS OF OLD ENGLAND

London, Sept. 30.—British losses during September were more than 3,800 daily. The casualties on all fronts during that period were 5,439 officers and 114,110 men.

The French made further progress north of Rancourt by grenade attacks.

The British consolidated the ground won at Destremont farm northwest of Lesurs, London says. One division of the British army was engaged.

Petrograd reports nothing important on the western or Caucasian front.

The Bulgarian official statement says a Serbian trench, forming the principal Serbian position, was captured yesterday. No change reported in the situation in Dobrudja.

Berlin says the First Rumanian army has been defeated at Hermanstadt, Transylvania, by the Germans under Von Falkenhayn.

Officers of the Amalgamated Association of Street Railway Employees began today the distribution of a \$55,000 strike benefit fund among the street car men who have been on a strike since September 6.

### WRIT OF HABEAS CORPUS PROCEEDING GETS BAIL

Attorney C. B. Hudson, representing Sam Steptoe, who is charged with murdering his sweetheart, Beatie Bell, last Saturday night in the lower part of Brazos county at a negro dance, this morning sued out a writ of habeas corpus before District Judge Scott and the accused negro was given bail in the sum of \$2,000. This action was taken after Steptoe was refused bail at an examining trial in the justice court. Attorney Hudson says the defendant will have no trouble in making the bond.

### ACID WAS FORCED DOWN HIS THROAT

A. F. Bruce Arrested for Death of Man at First Thought to Have Committed Suicide.

Paris, Ark., Sept. 30.—A. F. Bruce has been arrested as a result of the coroner's verdict at Lalamazoo, that he might have been connected with the death of David Colburn, an aged farmer found dead in his field yesterday. At first it was believed Colburn was a suicide, but bruises on his head indicated that acid was forcibly poured down his throat. Bruce married Colburn's sister.

### VERDICT RENDERED FROM JURY BOX

Jack Childs, Colored, After Trial Is Completed, Enters Guilty Plea and Begs for Mercy.

Jack Childs, colored, who has been on trial in the district court for the past two days, sprung quite a surprise in the district court this morning. The trial was complete except the argument and by agreement with the state's attorney the defense allowed the prisoner to enter a plea of guilty and ask the mercy of the court. The jury, which had patiently gone through the trial, hearing all the evidence, took the plea and by instruction from the court wrote their verdict from the jury box, which was 99 years in the state penitentiary at hard labor.

Childs was charged by indictment with the murder of his wife, Mary Childs, last spring in the Harvey community. He went to the home of his wife's father after his wife, but she refused to go home with him, and after shooting his father-in-law, began abusing her and she jumped through an open window and fled with her baby in her arms. Childs gave chase and overtook her in a newly plowed field and shot her to the ground dead with their own child in her arms.

The plea for mercy entered as it was is probably all that saved Childs' neck, as he had previously made the statement that after his wife had left him he could not live without her and that he went to his father-in-law's house the morning of the tragedy with the intention of either taking her home with him or killing her.
